

Bring safety to your clients. Earn for **the work.**

Worx Safety partners with WHS consultants, industry associations and franchise networks who want a credible WHS platform to deploy across their book of business. Three tiers, transparent commission, real operational support.

Pick the role that fits your business

Start where it makes sense. Partners move up tiers as their engagement grows.

MOST COMMON FIT FOR CONSULTANTS		
CONNECT Warm introduction 5% of annual contract value You introduce, Worx does the rest. The lightest way to put a credible WHS platform in front of your clients. Ideal for accountants, brokers, associations and peripheral consultants. PREREQUISITES Signed partner agreement.	CORE Active referrer 15% of annual contract value You qualify, attend demos and advocate through the sale. Worx delivers. You stay the trusted adviser, we run the platform. Ideal for WHS consultants and industry bodies with member engagement. PREREQUISITES Signed agreement plus a 1-hour product training session.	COMPLETE Delivery partner 20% of annual contract value You sell, configure, train and support the client end to end. Worx becomes part of your service, delivered under your name. Ideal for consulting firms, associations and franchises bundling Worx into their service. PREREQUISITES Signed agreement, CWSU certification and 2 pilot clients.

All tiers: commission on annual contract value, paid quarterly for 12 months from go-live. Registered deals are yours, exclusively, for 90 days.

How it works

01 Apply Tell us about your business. We book a call within 48 hours.	02 Onboard Sign the agreement, get your workspace, training and resources.	03 Refer Register your first client, or run the deal yourself.	04 Earn Commission accrues from go-live, tracked in your workspace.

What every partner gets

- **One workspace for your whole book.** Manage every client, package and module from a single place.
- **Reports on your schedule.** Generate and schedule reports for any client.
- **Commission you can see.** Accrual and payment history, live. No chasing.
- **Compliance health at a glance.** Run health checks across all clients at once and see who is drifting early.
- **Alerts when things change.** Push alerts to clients when SWMS templates or policies change.
- **Your own sandbox.** A dedicated environment for demoing the real product to prospects.
